Euro 450,00

Euro 300,00

Euro 220,00

#### Hands-on Live Session Course

##### Congestion in Heart Failure & Optimal Patient Management in CRT- registration fee includes:

Heart Failure is a high prevalence syndrome especially in advanced age patients and presents high morbidity and mortality. Congestion is the primary reason for HF admission and itself (high PCWP) represents an important predictor of mortality and morbidity. Clinical congestion, signs and symptoms, presents at a late stage and is often difficult to recognize in advance, delaying inappropriate interventions. Fluid Status Monitoring can provide the opportunity to re-evaluate patient status, adjust treatment if necessary and potentially avoid hospitalizations. **The course is aimed to provide** an exhaustive one day theoretical/practical application on this pathology with live practice on real (pig) heart dissection and technical management of a patient by telemedicine application and remote connection between an hospital where the patients is checked and the course room. The course will provide also biventricular pacemaker implantation troubleshooting real case discussion and technologic updates on leads and devices.

**It also includes:** personal handbook of the course, utilized materials, technical and scientific assistance by an individual tutor, free practice on last generation leads and devices, gloves kit to manage live session, entrance to the exhibition area, attendance certificate, CME certificate (for the Italian participants), badge and congress kit.

Maximum 48 participants (16 per day) assigned on first come first served basis, after the full payment of the charge with date and timetables to be respected.

## ECHO-CRT Course

### Advanced Training on Cardiac Resynchronization Therapy: Complete Echocardiographic Evaluation - registration fee includes:

Participation at one day theoretical/practical course with practical training based on real clinical cases. The course foresees individual stations to perform echocolor Doppler, TDI and 3D practice in a model simulating a patient with heart failure and CRT.

**It also includes:** personal handbook of the course, utilized materials, technical and scientific assistance by an individual tutor, free practice on a last generation cardiac echographer, entrance to the exhibition area, attendance certificate, CME certificate (for the Italian participants), badge and congress kit.

Maximum 60 participants (20 per day) assigned on first come first served basis, after the full payment of the charge with date and timetables to be respected.

## BLS-D - Basic Life Support - Defibrillation Course

### registration fee includes:

Participation to the Course entrance to the exhibition area, BLS-D licence, CME certificate (for the Italian participants), coffee breaks and light lunch taken at the Venue.

Maximum 36 participants (12 per day) assigned on first come first served basis, after the full payment of the charge with date and timetables to be respected.

**In order to register it is necessary to fill in the registration form and sent it to Adria Congrex with the full payment.**

## GALA FACULTY DINNER

The gala faculty dinner will be held on May 21, 2007. The dinner will be followed by an International Music Performance. The cost is € 120,00, Vat included.

**DELEGATES FAILING TO REGISTER BY MAY 10<sup>TH</sup> 2007  
MAY BE ABLE TO REGISTER AT THE CONGRESS VENUE.**

## CANCELLATION POLICY

Any cancellation should be notified in writing to the Organizing Secretariat and will be subject to the following conditions:

**Before January 30, 2007:** Refund of registration and Gala Faculty Dinner, less a 30% administrative charge.

**After January 30, 2007:** No refund of any kind.

All refunds, if any, will be done after the congress (**all costs to receiver's charge**).

No refund in any case will be made for BLS-D, Congestion in HF & CRT and ECHO CRT Courses registrations.

## Information on article 13 Legislative Decree nr. 196 dated 30.06.2003

The personal data acquired thanks to the present module is collected for purposes connected to execution of the congress and will be processed using both electronic and non-electronic tools. The data collected will be processed only by appointed personnel (marketing, administration and secretariat employees). The data may be communicated to professionals, hotels, travel agencies, airline and shipping companies, affiliated professional bodies, banks, the Ministry of Health for CME purposes and any other sponsors. Providing data (such as name, surname, address, profession, fiscal code, VAT number, place and date of birth, telephone and e-mail) is compulsory in order to make hotel bookings, register for the congress, issue standard invoices and for CME registration. The above mentioned data (e-mail address and fax number) may also be used to inform you of our future events providing that you authorise us to do so by ticking the appropriate box. Although refusal to provide authorisation to send communication linked to our activities will not prejudice your registration for the congress, we will not be able to contact you to inform you of any future events. The data controller is "Adria Congrex Srl", with head offices at 3, Parco Federico Fellini, 47900, Rimini.

We would like to remind you that your rights are recognised by article 7 of Legislative Decree nr. 196 dated 30<sup>th</sup> June 2003, in particular the right to access your personal data, request its modification, updating and cancellation if incomplete, incorrect or collected in breach of the law, as well as, object to its processing for legitimate reasons, by addressing your requests to the data controller at the following address [info@mcmweb.it](mailto:info@mcmweb.it)

I authorise for my personal data to be processed to inform me of similar initiatives or consultancy services provided by the data controllers.
